Safety & Range Access Test

(2019)

6. No member may discharge a firearm at the range unless: **(Select the Best Answer)**
 - a. A Range Officer (RO) is present
 - b. A Range Safety Officer (RSO) is present
 - c. A Plant Protection Representative is present
 - d. A board member is present
 - e. An NRA certified instructor is present
 - f. All of the above

7. Upon initial arrival at the range, the **two most important things** to do are:
 - a. Immediately place firearms, in a safe condition, on the shooting bench
 - b. Check to see if the red flags are flying
 - c. Do not remove your firearms from your vehicle
 - d. Go to the RSO Shack and scan your badge or enter your member number into the range manager computer system. (The RSO may or may not be in the Shack at the time of your sign-in)
 - e. Immediately holster your pistols.

8. What are the **two most important actions** that members & guests must perform before departing the range?
 - a. Call a cease fire on your firing line
 - b. Report to the RSO Shack and sign out by scanning your badge or entering your member number into the range manager computer system.
 - c. Empty your magazine and chambers by firing down range
 - d. Remove all magazines / ammo from the firearm (no round in the chamber) prior to moving the firearm from the shooting position to the their vehicle.
 - e. Call friends on your cell and let them know to start up the BBQ.

9. Which type of firearms do not require the use of an open bolt indicator (OBI) or empty chamber indicator (ECI) while on the firing line?:
 - a. Break action shotguns
 - b. Muzzle Loaders
 - c. Holstered semi-automatic pistols (unloaded / no magazine installed)
 - d. Holstered Revolvers (cylinder empty)
 - e. All of the above.

10. A "COLD" range means:
 - a. The temperature is below freezing
 - b. When an untrained guest is on the range.
 - c. When no shooting activities are occurring (Cease Fire may be in effect)
 - d. B & C

11. On the firing line, is handling of firearms allowed when people are down-range?
 - a. Yes, if the firearm is unloaded
 - b. Yes, if the firearm is pointed in a safe direction
 - c. Yes, if a coordinated cease-fire is in effect
 - d. No, absolutely no handling of firearms is allowed when people are down-range.
 - e. A & C

Skyline Hunting & Fishing Club
Safety & Range Access Test

(2019)

12. Access to the 100 yard range target areas (beyond 25 yards) is prohibited when which of the following conditions exist:
 - a. During firing in the Pistol House
 - b. During firing on the 200/300-yard range
 - c. During skeet shooting from stations 6, 7 and 8.
 - d. All of the above

13. Access to the 200-300 yard target area (beyond 25 yards) is allowed while:
 - a. A cease-fires is coordinated with the 100 yard range
 - b. A cease-fire is coordinated with the pistol range
 - c. Both A & B
 - d. All of the above

14. What are the **two most correct answers** for bringing children over 10 years of age and older and children under 10 years of age onto the range?
 - a. Children of 10 years and older must be accompanied and supervised by their parent (member), other club member or qualified guest, a liability waiver form must be submitted, signed by the parent, and must have proof of some type of firearms safety training prior to shooting at the range.
 - b. Children must wear brightly colored orange vests.
 - c. Children under 10 years of age may only participate in SHFC organized / supervised activities with SHFC qualified instructors.
 - d. a & c

15. Constellation Drive from SSNA to DPF must be closed prior to skeet shooting.
 - a. True
 - b. False

16. Recovery of unbroken clay birds from the Shotgun Range casual shooting area (manual throw area) is **NOT PERMITTED** while other ranges are in use ?
 - a. True
 - b. False

17. Per the Range Rules, how many guests may a member bring out to the range that are not part of their immediate family ?
 - a. Two guests
 - b. As many as I want
 - c. None
 - d. Ten

 - a. Upon completion of Range Maintenance tasks
 - b. Only during authorized SHFC functions
 - c. Never
 - d. Whenever a coordinated cease-fire is in effect

21. Who is responsible for guests?
 - a. SHFC members are responsible for all guests that they bring to SHFC ranges
 - b. Guests are responsible for themselves
 - c. The RO of the range the guest is using
 - d. Plant Protection

22. What area may members use for training hunting dogs?
 - a. None, no pets (with the exception of horses owned by Ridge Riders members) are allowed on Lockheed Martin property
 - b. Any SHFC range as long as a coordinated cease-fire is in effect
 - c. Horse pastures only
 - d. Authorized hunting areas only

23. After passing through a gate on the way to a SHFC range, what condition should the gate be left in?
 - a. Open, if I know others will be coming along any minute
 - b. Closed at all times to maintain security
 - c. In the position that the "Gate Open / Closed" sign is currently showing.

24. Drawing a loaded handgun from any type of holster is prohibited.
 - a. True
 - b. False

25. Shooting cross range is allowed when:
 - a. While shooting is under way on that range.
 - b. Never
 - c. Whenever a coordinated cease-fire is in effect
 - d. If nobody else is using the other range

Skyline Hunting & Fishing Club
Safety & Range Access Test

(2019)

26. Unattended firearms on any range firing line must: **(choose all appropriate answers):**
- Have the chamber clear and action open
 - Not have a round in the chamber
 - Have an Open Bolt Indicator (OBI)/Empty Chamber Indicator (ECI) in place.
 - Can be placed in a holding rack or positioned at shooting position with magazines removed, cylinders empty, and empty action.
 - All of the above
27. When must members bringing guests to the SHFC ranges have their guests sign a Release of Liability (i.e. “waiver”)?
- Once a year (at their initial attendance and each club 12 month cycle)
 - Only the first time the guest enters the range
 - Each and every time a guest enters the range
 - Only if guests are unfamiliar with safe firearm handling
28. All matches and organized SHFC range events shall be preceded by a Safety Briefing to be presented by the Event Range Officer.
- True
 - False
29. The use of open bolt indicators (OBI’s) / empty chamber indicators (ECI’s) is mandatory at shooting positions when shooters are down range setting up targets, or when the firearm is unattended on the firing line.
- True
 - False
30. When are persons allowed on the top of the divider dirt mounds (berms) that separate the Pistol House from either the shotgun range or the 100 yard range?
- At no time
 - Only when neither range is in use
 - During a coordinated cease-fire
 - Both “b. & c”.
31. **“Tracer”** or **“Incendiary”** Ammo is **not allowed** on the range ? No **“Hollow Point”** Hand Gun (Pistol or Revolver) Ammo is allowed, excluding .22LR Ammo or any other Rimfire Ammo?
- True
 - False
